Self-adhesive Bathroom/Kitchen Rack

Rustproof Steel: Shower caddy wall mount is made of 304 stainless steel which can protect shelf against rust, ensuring durability and longevity

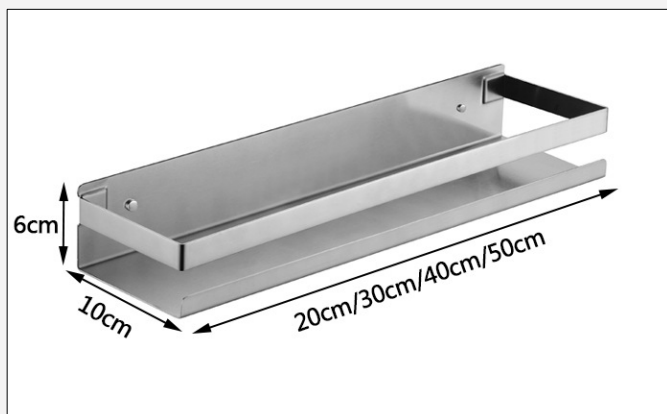

No Drilling Installation: Shower shelf is with 3M self-adhesive on the back. It's better than other adhesive and easy to install beautiful and elegant. There is no need screw or drill

Installation without drilling: Just peel off the protective film of self adhesive pad and stick shower rack to wall surface, press for a few seconds.

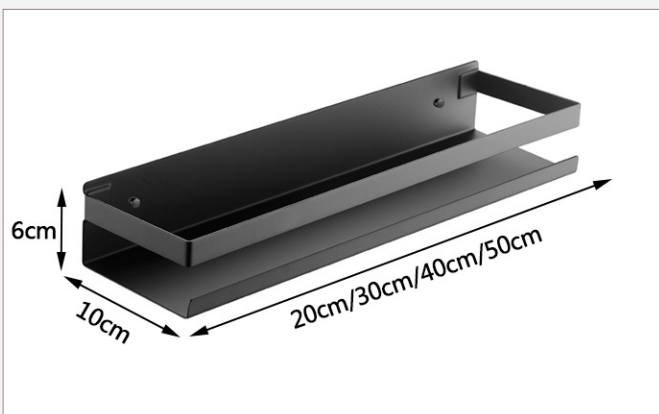

Large and long enough to place in the kitchen for seasoning bottles, or placed in the bathroom for toiletries, and features a railing across to the rack to hold up the items and prevent them from falling. Two extra stainless steel on the shower organiser, can hold your towel, brush and other small items.

Grab Bar Handrail

1. I-type passage handrail at the door: In order to facilitate the elderly entering and leaving the bathroom, I-type passage handrail can be set at the door of the bathroom, and the handle on the sliding door should also have the function of handrail.
2. L-shaped handrail for toilet: For the elderly, the horizontal part of the L-shaped handrail can be used for support, and the vertical part can be pulled, which is very suitable for helping the toilet.
3. Handrails for the washbasin: Handrails are installed in the washbasin, which is convenient for supporting the body, making the movement process safer and easier to stand by the pool.

Grab Bar Handrail

Bathroom safety bars and chairs provide support for seniors and people with balance or mobility issues as they use showers, bathtubs, or toilets in institutional, residential, or public bathrooms

Safety grab bars and rails mount to walls to offer a fixed rod that people can hold onto to maintain their balance and lower or lift themselves. Tub and shower seats are chairs that people can sit on to help prevent falls as they bathe or shower.

Folding Shower Chair

【Large Load Capacity】 Under triangle stabilization principle, the seat is solid and not easy to move. The supporting legs can prevent the seats from exerting excessive destructive pressure on the mounting wall. It can support weight up to 400 lbs.

【Foldable seat 】 The shower seat bench can quickly 90° fold for save space when not in use. It is easy to fold up, ideal for small bathroom or narrow shower stalls without taking up too much space.

【Premium quality】 Made of quality stainless steel and ABS material, the seat is durable and not easy to rust. Designed with non-slip particles, it is especially suitable for bath area.
